Dear VBC Family,

Fall is in full gear. Not only has the weather turned and school begun, but our fall ministries are in full swing. Two months ago we looked at the demand for increased ministry and the seeming lack of people to make it happen. We asked God for His help and direction. We've not hobbled into fall, but quite the opposite, God has raised up leaders among us, excitement has grown and ministries have been launched with greater fervor than we've probably ever seen. At the same time, there are still challenges for which we need to continue to seek God's wisdom and direction, one of which is our finances.

Cutting Costs and Pushing Forward

Going into 2010, we realized it was going to be a difficult year. We reduced our original budget and have scaled back in many areas. We've strived to be both wise and prudent. We've tried to cut back while continuing to adequately fund the base operations. At the same time, we've wanted 2010 to be a year of growth, recognizing that our struggling economy provides a great time for people to meet Jesus. So 2010 has been a year of pruning and of asking God where He wants us to focus our energy and attention. We haven't circled the wagons, nor have we given up. To the contrary, we've pushed forward, knowing that there are people who need to meet Jesus.

Current Offering Shortage: \$50,000

Projecting expenses through December, it looks as though we'll

end the year having spent about 10% less than our budget had called for – resulting in \$66,000 of savings. At the same time, we're still about 7% below what is needed to meet that reduced budget, resulting in a projected end-of-October deficit of \$50,000 – interestingly, the exact same place we ended October at last year (and by the end of December met our financial needs)! We pray that, as with last year, God provides the final financial need through those who make up the VBC family.

November & December Goal

- 1) At a minimum, we need to end 2010 in the black. To do that, we need to maintain cost-cutting efforts, eliminate our current shortage and hit our budgeted weekly giving. This totals \$234,000.
- 2) We would also like to raise some additional benevolence for some of our church families who are experiencing financial hardship due to lost jobs. Some specific needs we'd like to help with total approximately \$12,000:
- 3) The tough economy has dealt a tough blow to all of our 16 missionary families. The missions committee has considered the specific needs of our missionaries and have allocated previously budgeted missions dollars to cover specific needs. For details, see page 21.

elder update

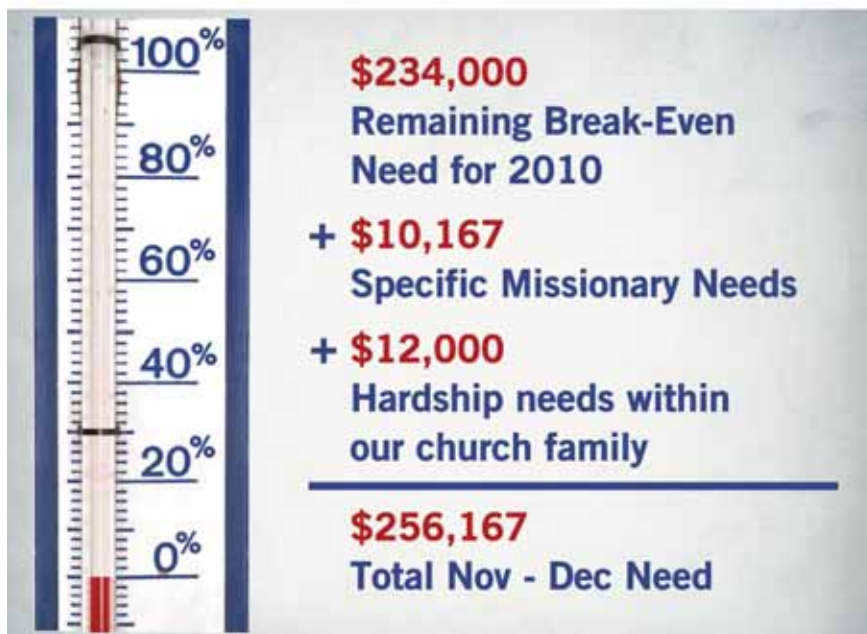

HOW?

Can we together meet these needs in the midst of a difficult economy? Humanly speaking, NO. But God has already shown us over the past four years that He faithfully provides when we have thought it was impossible! Is it crazy to think that He'll do so again?

In November and December we would like to ask that you *join us in prayer* concerning this financial need and that you would also *ask God to make it possible for you* to give above and beyond your regular tithes and offerings towards the ministry God is carrying out through our church. On *Sunday, November 21*, we will take a

special "above and beyond" offering. If half of our families give a \$1,000 "above and beyond" offering, we will cover our financial needs. God may lead you to give much more than \$1,000 – or He may lead you to only give a fraction of that, or possibly at this time none at all. Our hope is that if you give, it will not be out of a sense of duty or obligation, but rather because it is the *out flowing of your heart* and *a response to what God* has called you to sacrifice for His Kingdom. At the end of the day, *it is all for His glory!*

Thank you!

Ladies' Christmas Dinner

Attention Ladies of VBC!

Friday, December 3rd at 6:30 @ SGC

Our annual Christmas Dinner is fast approaching! We are looking for volunteers to host tables. Hosting a table involves providing a centerpiece/decorations for your table, table service for 8 and most importantly welcoming the ladies assigned to your table. If you are interested in this great opportunity, please contact Sara Wagner at 630-803-9110 or sarawagner@hotmail.com.

Tickets for the dinner will be \$10/person, and will be available for purchase at the Welcome Center on Sunday, Nov. 14, Nov. 21 and Nov. 28th.

Men of VBC we need your assistance too! In the past, we have truly appreciated the men of the church assisting the caterer with serving and busing the tables, and are in need of volunteers for this aspect of the evening as well. It has been said that the way to a man's heart is through his stomach, so please note that you will also enjoy the catered meal! If you are interested, please contact John Elwood at 630-466-1243 or jelwood@sbcglobal.net.

Cord of 3

"Two are better than one, because they have a good return for their work. If one falls down his friend can help him up. But pity the man who falls and has no one to help him up! Though one may be overpowered, two can defend themselves. A cord of three is not quickly broken." (Ecclesiastes 4:9-10, 12)

We are 3 sisters who are excited to share our story, through music and ministry, about the journey of being a follower of the Great I AM! To encourage others in this faith is our heart's desire and passion. May the mission of Jesus always remain first in the hearts and minds of his children. May we as a CORD of 3 strands be strong and unable to be pulled apart!

To Him be all the Glory-

252 BASICS

Curriculum Materials for K-5th Grades

1. I need to make the wise choice.
2. I can trust God no matter what.
3. I should treat others the way I want to be treated.

Children's worship is using a new curriculum this year. There are three big ideas for this curriculum. Our K-2nd grade students will be studying that they need to make the wise choice, that they can trust God no matter what, and that they should treat others the way they want to be treated. As the students study the Bible, they will discuss how they can live a life that reflects the Biblical truths of each lesson; each lesson in turn reinforces the three big ideas of the curriculum. Parents will also be receiving an email and handouts with suggestions on how to extend and discuss the lessons at home that their sons/daughters are learning on Sunday. We are excited to further develop the relationship between the church and parents as we work together to disciple our young people. If you have any questions please contact Leighton Helwig at 630-551-1572.

christmas outreach

The essence of the Christmas Gathering is taken from 1 Thessalonians 2:7, which says, "*We loved you so much that we were delighted to share with you not only the Gospel of God, but our lives as well.*"

Why not consider hosting your own **Christmas Gathering** or speaking at someone else's this Christmas season?

Christmas Gatherings are holiday parties that feature seasonal goodies, sharing of traditions and a brief, non-threatening talk on the meaning of Christmas. They provide a time for people to invite their neighbors or other groups into their homes to hear about Jesus.

They also foster **growth opportunities** for Christians who want to reach out and share their faith with others. There are many benefits to hosting an evangelistic holiday celebration:

- Utilizing the holiday season to present the good news of Jesus using our homes as a non-threatening environment to glorify God builds relationships
- Counteracts the trend of isolation - many people are never invited into someone's home and are honored to be included.
- Guests may experience the joy of trusting in God

A sample schedule:

7:00-7:30 Arrival, conversation, refreshments

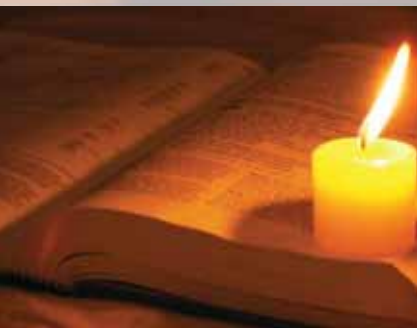

7:30-8:00 Sharing traditions

8:00-8:30 Speaker and comment cards (The speaker will generally pick a topic like joy, peace, hope)

8:30-9:00 More refreshments and visiting

We recommend that the Gatherings be held the first two weeks of December.

The later it is, the harder it is to get people to come. You should get invitations out 7-10 days before your Christmas Gathering.

If you have a heart for sharing the Good News with your neighbors and don't know how, consider hosting a party this year. If you enjoy speaking and sharing the good news with others, please consider being a guest speaker. We'll be having training and informational meetings on November 7th and 14th from 1:00-3:00pm along with lunch in room 101. Join us for both trainings so that you can be equipped to have a great Christmas Gathering to share the truth with others.

Missions: **servantworks** Gift Party

Give a gift with meaning.

Thursday, November 4, 6:00-8:30 pm

Friday, November 5, 9:00-11:15 am at MOPS

Servantworks (www.servantworks.org) is a ministry based in Aurora that seeks to rescue women from the red light districts of Thailand. One of the ways it does this is by providing Christ-centered opportunities for women to leave the prostitution rings and begin small businesses where they create jewelry and greeting cards which are sold through house and church parties in the United States.

The Sugar Grove Campus will be hosting a Servantworks open house on **Thursday, Nov. 4, from 6-8:30 pm and Friday, Nov. 5 from 9-11:15 am.** This event will showcase the recent arrivals of handmade jewelry, cards, handbags and accessories produced by the women Servantworks is striving to help. One hundred percent of the profit goes directly back to benefit this ministry. What a great way to have fun, purchase some gifts and help women in Thailand who are striving to live new lives in Christ.

For more information, call the church or Despy Bales, (630) 365-1673.

Operation Christmas Child

In the past two years we were able to prepare and donate boxes for over 300 children! Again this year, we have the unique opportunity to share Christ with needy children using simple shoe boxes.

Operation Christmas Child brings joy and hope to children in desperate situations around the world through gift-filled shoe boxes and the Good News of God's love. Since 1993, more than 61 million shoe boxes have been packed, shipped, and delivered across the globe. People of all ages can be involved in this simple, hands-on missions project while focusing on the true meaning of Christmas—Jesus Christ.

**Shoebboxes will be collected in the church foyer
from October 17 - November 14.**

WORLD RELIEF

World Relief Aurora's Basic Volunteer Training Thursday, November 4, 7 to 9 pm

World Relief Aurora office lobby in downtown Aurora

Are you interested in knowing about the refugees that have come to be our neighbors?
Are you feeling the leading of God's Spirit to love your neighbor?

World Relief welcomes you to learn more about these very vulnerable people in our own neighborhoods and how you can serve God by loving them. You'll learn about the journey a refugee takes, what World Relief does to help them, and what you can do to help them recover their dignity and become self-sufficient, contributing members of their community once again. We strongly encourage all volunteers to attend this training. It will answer so many questions and give you a good foundation to be a good shepherd. Come join us!

Please RSVP to Gail at gzieche@wr.org or at 630-906-9546, extension 35. Feel free to invite others you know who may be interested. There is no obligation for attending!

People to love and shepherd refugees is vital to their success.

Marklund

Miracles are always within reach

On Saturday, December 4th we have the opportunity to be the hands and feet of Christ serving the "least of these" at Marklund. We'll spend time singing Christmas Carols for the severe to proudly developmentally disabled residents of the Geneva facility. It's also an open house when family members come to spend with the residents and we'll spend time doing activities with and visiting one-on-one with those who don't have anyone come to see them. It's a wonderful opportunity to love someone in a tangible way and love as Christ.

We'll be meeting at Marklund at Mill Creek (1S450 Wyatt Drive, Geneva) at 1:00pm. We'll start with prayer together as a group, spend some time singing, and then spend time individually getting to know the residents. Sign up in the friendship registry or contact megan.kirkland@villagebible.org for more information.

Every day someone in your neighborhood is faced with a hardship. Many times they endure it alone. Sometimes neighbors know about the problem but don't know how to respond. They don't know how to help. They don't know what to say.

Has this ever happened to you? If it hasn't, it will.

We want to help you be prepared to help those around you with the love of God. We would also like to have a team available to respond to needs in our community that are brought to us.

Has God given you a heart of compassion? Would you like to find ways to further develop and use this gift?

If so, please join us for a one evening training session that will overview how to help people in times of difficulty. Our own Wendy Peck conducts these training sessions in churches for Conley Outreach and will be hosting one for us on Thursday, November 18, 2010 from 6:30-8:00 pm at our Sugar Grove campus. There is no cost. Communication skills and role playing will be involved.

Please let us know if you would be interested in attending by emailing rbearwikings@mchsi.com. You won't want to miss this interactive and informative night!

A Comfy Chair and A Cool Book(s)

Her Mother's Hope and Her Daughter's Dream by Francine Rivers are a two part series of an unforgettable epic family saga about the sacrifices every mother makes for her daughter and the very nature of unconditional love. This rich and deeply moving story tells of silent sorrows that can tear a family apart and the grace and forgiveness that can heal even the deepest wounds.

"After reading both of these entertaining yet motivating books, I was compelled to think through how I am communicating with my daughters, how I need to make sure I am allowing God, and not myself, to guide their future, and how I am conveying my love for them in a way that they recognize."

- Debbie (mother of 3 daughters)
